- **AI Integration:** Lang Chain, RAG-based Chatbots, AI Automation, API Integrations
- **Databases:** MongoDB, SQL, SQLite, Firebase
- **Tools:** Git, GitHub, VS Code, Axios, Jira
- **Other:** SEO Optimization, Performance Optimization, Cross-Browser Compatibility

WORK EXPERIENCE

Full Stack Developer Aug 2024–Present

Precise Technology (Remote)

- Built and maintained 5+ scalable web applications using Next.js and TypeScript
- Engineered ERP and e-commerce systems handling 1 million+ user interactions
- Optimized application performance by 20–30% through code splitting and caching
- Collaborated with cross-functional teams to deliver high-quality production features

Frontend Developer Jan 2024–Jul 2024

Sofnix Pvt. Ltd, Islamabad

- Designed and implemented 15+ responsive UI components using React.js and Tailwind CSS
- Transformed 10+ Figma designs into pixel-perfect production interfaces
- Integrated REST APIs and enhanced frontend performance by 25%
- Reduced UI bugs by 30%through debugging and performance improvements

Frontend Developer Intern Jul 2023– Dec 2023

Uzair Technology, Kohat

- Built 3+ web applications including Weather App and Task Manager
- Applied component-based architecture using React.js
- Improved code reusability and reduced development time by 20%

PROJECTS

- **AI Blogging Platform (Blog Brain):** Built AI-powered blogging system using Next.js and Lang Chain with RAG-based chatbot enabling intelligent content search and interaction
- **E-commerce Platform:** Developed full-stack e-commerce system with authentication, cart, and order management using Next.js and Node.js
- **ERP System:** Designed ERP solution for inventory and sales tracking improving operational efficiency
- **E-Services App:** Created service management platform with responsive UI and backend API integration

FREELANCING EXPERIENCE

- Delivered full-stack and frontend solutions for international clients (UAE, Canada)
- Developed ERP systems, dashboards, and AI-powered applications
- Managed complete development lifecycle from requirements to deployment

EDUCATION

Bachelor of Software Engineering 2019– 2023

- Kohat University of Science and Technology

COURSES

MERN Stack Development

- Completed this course form Code with harry YouTube channel

Generative AI Fundamentals

- Completed this course form Akhuwat foundation from Faisalabad

EC-Council Computer Hacking Forensic Investigator (CHFI)

- Completed this course form Corvit institute Peshawar

LANGUAGES

- English (Professional)
- Urdu (Native)
- Pashto (Native)
